2018 PACK CHARTER RENEWAL GUIDE

THINGS TO DO BEFORE YOU START

1. Select an adult to be the renewal processor for Internet Rechartering.
2. From your Unit Advancement Chair get a current printout of your unit roster from Internet Advancement: Have them click the "Start Over" button to get the most current roster before printing it.
3. Review your roster so you know what changes and additions need to be made and which applications need to be collected.
4. Go to my.scouting.org and print your unit's training record (unit Key 3 has access). Your unit key 3 are Committee Chair, Chartered Organization Representative, and Cubmaster.
5. Make sure all adult leaders are trained for the position for which they are being registered including Youth Protection, which is required to be taken annually. Any updates to the training list, should be provided with the renewal packet.
6. If you are adding any new youth or adults BEFORE charter renewal, make sure you acquire the appropriate signatures and turn in the original applications including any appropriate fees to the Council office ASAP! DO NOT HOLD ON TO APPLICATIONS SINCE THE YOUTH ARE CURRENTLY ACTIVE IN YOUR UNIT AND MUST BE REGISTERED NOW FOR THE REMAINDER OF THE YEAR!

BLACK HILLS AREA COUNCIL YOUTH PROTECTION POLICY

1. Youth Protection Training including Venturing, and Exploring must be completed annually.
2. Youth Protection Training certificate must be attached to all new adult applications.

Current and new adults WILL NOT be registered with a Youth Protection expiration prior to April 1, 2018.

MOST COMMON DETOURS ON THE ROAD TO SUCCESS

1. Signature(s) are missing on Page 2 of the charter because when you began the charter renewal process you forgot to make an appointment with the IH to review the charter & get his/her signature. Now s/he's on a 3-week dream vacation in Tahiti with the unit leader's family. (The unit leader has to sign signature line #3!) REMEMBER: a council representative will sign on the second signature line when you turn in your completed charter.
2. Applications are not attached for youth or adult leader listed as NEW on page one of the charter (the cover sheet.)
 - APPLICATIONS MUST BE ATTACHED OR WE CANNOT PROCESS THE CHARTER.
 - Applications are required for any new youth or adult leader(s) listed on the cover page.
 - Applications are required for any adult previously registered as a Tiger Cub Adult Partner only and is now registering in a leadership role.
3. Signatures are missing from the applications that have been attached. Unit leaders and parents must sign the youth applications. The Applicant, Committee Chair and Chartered Organization Representative must sign the adult leader applications.
4. The Disclosure/Authorization page of the adult leader application is not attached or signed.
5. The right-hand column of information is not filled in on the adult leader application.
6. Page one (the cover sheet) is missing. Attach ALL pages of the printed charter even if it is blank.
7. No more than one position has been assigned to an adult leader, such as Committee Member and Den Leader. The Chartered Org Rep is the only position that can multiple either as a Committee Member or as the Committee Chair.
8. All currently registered leaders must link their BSA membership number to their training record on My.Scouting.org. New leaders must submit their Youth Protection certificate with their new leader application.
9. Money is not attached. Money needs to be submitted with the charter except LDS units. See page 4 for fees.

HOW TO TAKE OR RENEW YOUTH PROTECTION

Currently registered adults needing to renew their Youth Protection Training can do so through their personal 'my.scouting.org' account. (Do not create another account.) New adults registering with the unit need Youth Protection Training. They can complete the Youth Protection Training course online by creating a "My.Scouting" account at my.scouting.org . Please have the adults submit their current Youth Protection Certificate with the recharter paperwork.
