

2022 Scouting for Food

Join thousands of Scouts in South Dakota and all across the United States for our annual service project, Scouting for Food. All food collected will go directly to your local food pantry, which in turn will help people in your local community. This is a great way to involve your Scouts in a community service project and showcase the Scout program in your area!

Instructions:

Bags should be placed on doors one week before the collection day on Saturday Nov. 5th, 2022. We recommend you start picking up food at 9:00 AM on Saturday Nov. 12th, 2022. Food should be taken directly to the Family Fare Stores in Rapid City where the South Dakota National Guard will be assisting with food collection & drop off to Feeding South Dakota. In the outlying communities Piedmont, Bell Fouché, Spearfish, Hot Springs, Hill City, Lead, Deadwood, & Custer please take your bags of Food directly to your local food Pantry.

Please remember to turn in the cut off portion below to order patches. *If patches aren't ordered please report the amount of food collected (# of lbs), number of volunteers (youth/adults) and hours worked to the BHAC Office no later than Friday, November 18th, 2022.*

These service hours qualify for "Good Turn for America".

Please log onto <http://www.scouting.org/scoutsource/Awards/JourneyToExcellence.aspx> and record your service hours.
